## Report on Workshop on Guidance for civil Service

- Name of the organizing Department(s): CAC, Ramananda College Bishnupur
- Collaborating Agency: Government of West Bengal
- Title of the Workshop / Seminar: West Bengal Civil Service (WBCS)
- Funded by: Ramananda College
- Date(s): 17-11-2021
- Level: College
- Number of participants: 66
- Details of Resource person(s): Somnath Paul, D.M.D.C, S.D.O office Bishnupur
- Objective: West Bengal Civil Service (WBCS) is a recruitment body for the vacancies in State Services in the state of West Bengal through the most prestigious exam of the state, the WBCS examination. WBCS releases notification and invites applications to this examination every year for recruitment into various posts in departments/ministries under the government of West Bengal. So, eligible students can apply for this examination online after the release of notification. The purpose of this webinar is to give complete information about the WBCS examination and guidance for WBCS exam preparation.
- Outcome: CAC, Ramananda College is like the panacea to all student's queries in the field of Civil services. Along collaboration with a quality faculty team, we also ensure that high-quality study material is provided and students do not have to hustle for collecting the same. Candidates can rely on those study material s for their WBCS exam preparation as this provides facilities for the overall development of civil service aspirant through a learning environment.

## Report on Screening Test for WBCS/IAS/IPS in collaboration with Satyendranath Tagore Civil Services Study Centre

- Name of the organizing Department(s): CAC, Ramananda College Bishnupur
- Collaborating Agency: Satyendranath Tagore Civil Services Study Centre
- Title of the Workshop / Seminar: Screening Test for WBCS/IAS/IPS in collaboration with Satyendranath Tagore Civil Services Study Centre
- Funded by: Ramananda College
- Date(s): 20.11.2021
- Level: State
- Number of participants: 182
- Objective: The Study Centre aims to ensure that students from Bengal get affordable and best quality coaching for clearing the IAS, IPS and Allied exams.
- Outcome: Students can analyze his/her performance in the mock and make the necessary changes to avoid the same mistakes in the actual examination. Solving the mocks will help you to get to know how the actual test will be. It will give you an idea about various things like the paper pattern, what kind of questions can be asked, the difficulty level of the questions, and how much time it takes to complete the test.

Notice (Screening Test for WBCS/IAS/IPS in collaboration with Satyendranath Tagore Civil Services Study Centre)

**SATYENDRANATH TAGORE CIVIL SERVICES STUDY CENTRE**  
**ADMISSION TEST: BATCH 2022: 3<sup>rd</sup> OCTOBER 2021**

**Group A : Aptitude Test**

Read the passage below and answer the next three questions based on the passage.

**Passage 1**

Hydrogen is the most abundant element on the planet, but rarely in its pure form which is how we need it. It has an energy density almost three times that of diesel. This phenomenon makes it a rich source of energy, but the challenge is to compress or liquefy the  $\text{H}_2$  (liquid hydrogen); it needs to be kept at a stable minus  $253^\circ\text{C}$  (far below the temperature of minus  $163^\circ\text{C}$  at which Liquefied Natural Gas (LNG) is stored) entailing its "prior to use exorbitant cost". The production techniques of 'Energy-Carrier' vary depending upon its applications – designed with different colours such as black hydrogen, brown hydrogen, blue hydrogen, green hydrogen etc. Black hydrogen is produced by use of fossil fuel, whereas pink hydrogen is produced through electrolysis, but using energy from nuclear power sources. 'Green hydrogen', the emerging novel concept, is a zero-carbon fuel made by electrolysis using renewable power from wind and solar to split water into hydrogen and oxygen. This 'Green hydrogen' can be utilized for the generation of power from natural sources – wind or solar systems – and will be a major step forward in achieving the target of 'net zero' emission.

- 1) What makes Hydrogen a rich source of energy?
  - A. It is the most abundant element on Earth.
  - B. It is available in its pure form.
  - C. It can be easily compressed.
  - D. It has a very high energy density.
  
- 2) In what ways is 'Green Hydrogen' a cleaner source of energy than black or pink hydrogen?
  1. It is a zero-carbon fuel.
  2. It is produced by the process of electrolysis.
  3. It can be utilized for the generation of power from renewable sources.

Choose the correct option from below:

- A. 1 and 2 only
- B. 2 and 3 only
- C. 1 and 3 only
- D. 1, 2 and 3

- 3) Liquid hydrogen is designed in different colours based on:
  - A. Energy carrying capacity

## Report on The Youth Employment Program (YEP)

- Name of the organizing Department(s): CAC
- Collaborating Agency: TCS
- Title of the Workshop / Seminar: The Youth Employment Program (YEP)
- Funded by: Ramananda College
- Date(s): 20.11.2021 to Running
- Level: National
- Number of participants: 192
- Details of Resource person(s):
  - Md Ali Jauhar
  - Sunil Bariely
- Objective:** The Youth Employment Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CSR umbrella and has been driven since 2011 addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates
- Outcome:** E certificates will be distributed

Dear Sir,

Greetings from TATA CONSULTANCY SERVICES!

We appreciate the interest shown by you in increasing the employable skills among the non-engineering graduates. Please find below details about the program and the process to be followed.

### About the program:

The Youth Employment Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CSR umbrella and has been driven since 2011 addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. We mobilize these youth by partnering with Colleges, Universities, NGOs, Corporate Foundations, Religious Trusts, Government Bodies and Tata Group companies. In terms of geographic reach, the program is currently operating in over 30 states / UTs. Nearly 13,000 have got jobs in TCS. About 10,000 have gained meaningful employment in other companies.

The training has led to lifting out over 2,500 families out of poverty annually. Families of the beneficiaries get access to better nutrition, health care, support for sibling's education, access to water and sanitation, better housing. Overall, better standard of living – as in the case of Biki Minj, whose father had passed away while she was still in her mother's womb. Hailing from a tribal, homeless, tea garden laborers family, today Biki takes care of her mother, and they have a home, and guaranteed three meals a day.

The Youth Employment Program is poised for major scale up from present 15,000 per annum coverage to over a million per year. By leveraging digital capabilities of TCS, it would benefit 10 million by 2030. You too can join us in this great journey. There is a space for everyone to contribute, and to build on the belief of your own and the life of others.

### Training details:

The training will be of about 100 hours, covering standard modules prepared by TCS on Business Skills, Communication Skills, Quantitative Aptitude, Logical Reasoning, Computers, Interview Skills, Resume Writing to name a few.

This would be followed by trainings on specific domains. Additionally, trainees will also be guided to take up Free Self-Learning Courses such as those offered by TCS iON portal.

### Cost of Training:

Free

### Training Duration and Mode:

The training will be online for 45-50 working days, 2 hours/day, Mon – Sat.

(Please note – COVID alert: In case of physical mode of training students must be seated in a large room at least at 2m from each other. All of them should be wearing masks and need to carry hand sanitizers. Additionally all candidates must be vaccinated with at least one dose)

### Post Training Certification:

Trainees will receive a digital certificate of participation and completion from TCS which will stand as a testimony and accreditation of their employability prospects in the corporate world.

### Employment Opportunity:

**All YEP candidates will get two opportunities:**

1. Apply for TCS job through TCS TAG enabled proctored test
2. Apply for jobs in other companies and TCS through TCS National Qualifier Test (NQT)

In addition, the trainee shall be guided and encouraged to also apply in job market as per suitable vacancies available for freshers across the industries by going through the standard process, as and when the same gets scheduled.

Candidates interested in entrepreneurship will be guided separately.

### Prerequisites to commence the training program:

1. Training Batch Count:
  - a. Minimum of 50 students per batch in digital mode of training.
2. Training Batch composition:
  - a. Socially Weaker Section: 40% of the batch (SC/ST)
  - b. Economically weaker section: Annual family income less than 6 Lakh per annum.

### Eligibility:

1. Any non-engineering graduate fresher from arts, commerce, or science backgrounds (BTech and BE are not eligible).
2. Age: Should not exceed 28 years of age.
3. Mode of Education: Regular. Distance Education is not allowed.
4. Year of Passing: 2020, 2021 or those in final year.
5. Those pursuing/completed masters in full time mode are Not Eligible
6. Availability of Smartphone/Tablet/Laptop/Desktop with proper internet connectivity for digital training

### How to start the training?

**Step 1:** Share Institution / Organization details in the excel format attached in this email. This must be done prior to starting any training batch.

**Step 2:** Students who wish to enrol should express their interest by sharing basic information with you in an excel format attached in this email. This excel sheet must be shared with us once all the information is collected. We shall do a preliminary check for eligibility.

**Step 3:** List of eligible candidates will be shared by us with you. We request you to create a Whatsapp group with the shortlisted candidates.

**Step 4:** Our "Training Engagement Team" will get connected with you and enable **Pre-Training Readiness Check** with the eligible candidates.

**Step 5:** On successful completion of **Pre-Training Readiness Check** the training engagement team shall allocate the trainer and the training will start after consultation with you.

Looking forward to working with you in enabling the program.

**Actionable:**

1. Kindly share organization/institution details. (Format attached)
2. Requesting tentative date when the program can be enabled along with estimated count of trainees.
3. List of trainees can be shared once required numbers are met. (Format attached)

## Report on Awareness Lecture on Recruitment as Airmen in Indian Air Force

- Name of the organizing Department(s): CAC, Ramananda College Bishnupur
- Collaborating Agency: 4 ASC, Barrackpore, W.B.
- Title of the Workshop / Seminar: Awareness Lecture on Recruitment as Airmen in Indian Air Force
- Funded by: Ramananda College
- Date(s): 04.12.2021
- Level: National
- Number of participants: 105
- Details of Resource person(s): 1. WG CDR M Subba Rao, Commanding Officer, 4 ASC, Barrackpore, W.B. 2. JWO Sundeep Dalal, Junior Warrant Officer, 4 ASE, Barrackpore, W.B. 3. JWO Abhishek Pandey, Junior Warrant Officer, 4 ASE, Barrackpore, W.B.
- Objective: The various career opportunities available with Indian Air Force include both technical and non-technical branches. As an officer in the Indian Air Force students can strategize, lead and manage. Trained in diversified fields and environments students are ready for all the challenges that the fast-paced life in the Air Force has in store for you. Be it flying the most advanced combat aircraft or providing technical support.
- Outcome: Candidates short-listed after the initial selection procedure go through a rigorous training regimen at one of the Air Force training establishments. Thereafter, they are commissioned as officers and posted at any of the Air Force Stations.
