Report on Webinar

- 1. Name of the organizing Department:** Department of History
- 2. Collaborating Agency:** Department of History in collaboration with IQAC, Ramananda College.
- 3. Title of the Webinar:** One day National level Seminar on GENDER AND SOCIETY: DIFFERENT DIMENSIONS.
- 4. Funded by:** Nil
- 5. Date:** 20th December, 2020
- 6. Level:** National
- 7. Number of participants:** 56(offline) + Online
- 8. Details of Resource Persons:** 1) **Prof. Vibhuti Patel**, Vice President, Indian Association for Women's Studies 2) **Prof. Maitrayee Chaudhuri**, Former Professor, Centre for the Study of Social, Systems / School of Social Science, Jawaharlal Nehru University, New Delhi 3) **Dr. Deepali Aparajita Dungdung**, Assistant Professor, Department of Sociology, Ranchi University, Ranchi.
- 9. Objective:** Some major objectives of this Webinar is: The study of gender and society provides the window of opportunity to understand the cusp of gender-oriented issues of our society. It also creates the conditions for discerning the domain of a much-contested façade of social discourse. The seminar helps shape and reshape our overtly lopsided understanding about the conceptualization of women in our presumed social structure. The issue of gender study equally offers a plethora of insightful inquiries that raises a basketful of queries that has so long been patently entrenched in our socially-crafted institutions. However, the institutionalized gender-matrix education is pitifully inadequate to feed into the socially equal parameters of human society. Admittedly, the seminar has attained the purpose of hammering the semblance of conceptual and practical ideation and understanding of the prism of gender study in a supposedly hands-on way.
- 10. Outcome:** The issue of gender and society is a very relevant and pragmatic in terms of its intrinsic grounding in the discipline of social science. It also raises scores of questions on how to construct our ideas, views and attitudes toward the society in which an overtly co-relative structure of an otherwise equivalent social ambience seems to be elusive. However, the practical approach to the prevalent social structure construes a kind of society in which the sense of reciprocal relationship between men and women is opulently skewed. The seminar has blatantly hammered the nuances of an equal social structure and apparently fed into the minds of the participants who have made it a point to participate in the seminar. Equally, it has also raised some burning questions on how to address the challenges that is constantly plaguing the gender-centric social structure.

One day National
level Seminar

GENDER AND SOCIETY : DIFFERENT DIMENSIONS

**Organized by the
Department of History &
the IQAC,
Ramananda College,
Bishnupur, Bankura.**

Date: 20.12.2021 (Monday)

Time: 10:00 am (IST)

**Venue: Ramnalini Chakraborty Hall
& Google Meet**

OBJECTIVE OF THE SEMINAR:

The discussion of gender does not only offer the scope to shape our discerning towards the gender-centric matrix, but also provides the impetus to peep into the terrain of a long-overlooked facet of social discourse. Though women play a decisive role in our society they are overly disadvantaged in securing unfettered access to society's resources. Mere espousal of contingency of equality does not eloquently see to the uniform exercise of the window of opportunities.

The gender-oriented values and practices that get entrenched in socially-constructed institutions are woefully inadequate to be fitted in the premises of a balanced social order of gender matrix. The present seminar organised by the Department of History in association with IQAC of Ramananda College is an ideal venture into the social institutions and its footprint on the position and status of women in India.

- **Summary:** Living safe and free from violence is everyone's right and reducing violence is everyone's responsibility. It is always better to stop something bad from happening than to deal with it after it happened. One of the best forms of self-defense is personal protective measures. In fact, with the rising number of crimes against women in the nation, the Government is taking a step forward for self-defense training for girls in college to ensure their safety. This proposal has been recommended in principle by the Empowered Committee of the Nirbhaya Fund under the Ministry of Women and Child Development that self-defense training can be incorporated in the curriculum of every college. The Training Programme concludes with a note on the promise from both the sides that this kind of Programme will be continued in the times to come.
