

On this 78th Foundation Day Celebration of Ramananda College, we warmly greet all who are present here to partake in this happy event. In particular, we extend a warm welcome to Mr. Arup Chakraborty, the President of our Governing Body, Mr. Tanmoy Ghosh, MLA, Bishnupur, Mr. Goutam Goswami, Chairman, Bishnupur Municipality, Mr. Mahabir Agarwal, Vice-Chairman, Bishnupur Municipality. We offer our best wishes to all the teachers, non-teaching staff members, hostel employees, students, research scholars, counsellors, alumnae and all other dignitaries.

We observe this day to remember the ideals of our founders, the principles of the individual after whom this college is named, and to remind ourselves of the grave duty we bear in furthering the education of our society. We do so as we believe that education is the best means of ensuring social justice, national integrity and communal harmony. The institution has just completed 77 years of its responsibility as a sentinel of higher education in the Bishnupur sub-division of Bankura district. It is carrying forward this tradition of excellence by embracing the past, celebrating the present and building the future.

Over the past year, we have continued to grapple with new challenges posed by the COVID-19 pandemic. We have improved our online learning processes and induced a culture of study using virtual means. We have continued to ensure that students do not suffer in terms of their studies, and their progress is tracked continuously through multiple means.

I am delighted to inform you that, in 2021, the National Assessment and Accreditation Council (NAAC) has awarded Ramananda College a B++ grade with a CGPA of 2.83 in the third cycle of assessment of the college. This will inspire us to take the college to greater heights in future.

This year has not been without its tragedies. Apart from the losses suffered due to the pandemic among the wider local community, it was especially hard for us to lose our non-teaching staff member Debabrata Pal (Debu), who succumbed to a previously undetected illness after several days in hospital. On behalf of the college, I extend my condolences to the members of his family. I also extend our condolences to the families of our former faculty members Prof. Shaktipada Bose (Political Science), Prof. Sanatan Pan (Zoology), and Prof. Rampada Mondal (History), who also passed away during this year.

Short History of Ramananda College:

Ramananda College is a pioneering higher-educational institution located at Bishnupur, within the district of Bankura. It is the sole co-educational Degree College with PG courses recognized by the UGC within the town of Bishnupur. Since its inception in 1945, this institution has been serving the cause of higher education in the local community and also of students from far-away, remote villages. Even today students from other districts are studying here.

Sri Ramnalini Chakraborty, an eminent freedom-fighter and social worker of Bishnupur, Sri Radhagobinda Roy, the founder-principal of this college and a former minister in the Government of West Bengal, and other eminent community members of Bishnupur decided to establish this college here. Sri Ramnalini Chakraborty, the Koley family, Sri Anil Kumar Bhattacharya, members of the Friends' Union Club and the local community provided the bulk of the funds required for building of this college. The college is named after a son of the soil, Sri Ramananda Chattopadhyay (1865-1943), a journalist, editor and scholar who was active during the Bengal Renaissance.

Initially, the college was affiliated to the University of Calcutta, later to the University of Burdwan and is now affiliated to Bankura University since 1st January, 2017. The college is recognized by the UGC under Sections 2(F) and 12(B) of the UGC Act, 1956. As the college was established before Independence, it pre-dates both the creations of the UGC and the University of Burdwan. In 2021, the National Assessment and Accreditation Council (NAAC) re-accredited the College (in the 3rd cycle)

with a score of 2.83 (Grade B++). Furthermore, with the introduction of different Post Graduate Courses in Sciences and Humanities, the college has become a constituent PG college of the Bankura University. Now the college is compliant with the visions of RUSA.

The college dealt with the challenges faced by the COVID-19 pandemic through a shift to e-learning and online assessments. Now, it is adapting itself to educating students in hybrid mode, as recommended by the University Grants Commission.

The college has digitized most of the administrative and academic work it conducts on a day-to-day basis. The list of digitized processes is given here.

Ramananda College has completed 77 years of its journey. These 77 years have witnessed tremendous growth in terms of teaching and learning, for value-based human development. We gratefully acknowledge the contribution made by different government departments, officials and community members for providing us the opportunity to develop our credentials in the field of teaching and in the expansion of the liberating force of education.

Before I conclude, on behalf of the college, I extend my thanks and gratitude to Bankura University, the University of Burdwan, the Higher Education Department, the Education Directorate, the West Bengal State Council of Higher Education, the West Bengal College Service Commission, the University Grants Commission, Indira Gandhi National Open University, Netaji Subhas Open University, Vidyasagar University D.D.E., and all our friends and well-wishers for their infinite assistance and cooperation.

We also extend our gratitude to all the dignitaries and resource persons for their gracious presence in our college premises as well as their interaction in the virtual mode during 2021-22, in spite of their busy schedules. We are delighted to have hosted them and have learned much through our interaction with these individuals.

We all work for knowledge, peace, equality, love, sympathy, truth and tolerance through our daily activities. We extend our good wishes and affection to our beloved students. We pray that they remain in good health, that they gain wisdom, and most importantly, that they maintain the highest standards of ethics throughout their lives. We have many students working in various fields both nationally and internationally. We are proud of them.

I convey my deepest regards and thanks to the President of our Governing Body, Mr. Arup Chakraborty, who has continually extended his support and has encouraged us in various endeavours of the college. I also thank all the other Governing Body members for their assistance.

Once again, I would like to express my sincere thanks to all who have assembled to witness the 77th Foundation Day of the college despite the uncertainty of the situation created by the pandemic.

Regards and best wishes to all.
