**BSc First  Semester (Hons) Practical Examination 2021**

**Geography**

**Course code: SHGEO/102/C-2P**

**Course title: Cartographic Techniques**

**Time 3:00 HRS**                                                                 **Full Marks 40**

1.  Define  scale ? Write  the difference  between statement  scale and numerical  scale .   2+4=6

2.  What is  perspective projection? Calculate  the graticules of cylindrical  projection at 10$^o$ interval  for extension  40°N to 40°S and 20°W to 60°E on a scale 1:60,000,000                          2+8=10

3.  Discuss  the types of bar diagram .                                                                 4

4.  Write short notes  about the following                                       2 X5=10
    A Age sex pyramid
    B Dumpy level survey
    C Graticules
    D Graphical  scale
    E Choropleth map

5.  Lab notebook  & viva voce                                                        5+5=10
